

SUPPLIER TERMS AND CONDITIONS AGREEMENT

General: These requirements are considered as terms and conditions for all purchases.

- ✳ Where required on the Nexgen Tooling Purchase Order, its suppliers must use Nexgen Tooling's customer-approved special process sources.
 - ✳ Suppliers shall ensure the appropriate competence of their personnel, including any required qualifications, when applicable, to provide additional confidence of the conformance of purchases.
 - ✳ Suppliers shall ensure their personnel are aware of their contribution to product or service conformity, their contribution to product safety, and the importance of ethical behavior.
 - ✳ Nexgen Tooling monitors supplier performance, including both on-time delivery, and quality of purchases, and may react accordingly based on performance concerns.
 - ✳ Nexgen Tooling is to be contacted (by the supplier) in the event of nonconforming product/material. Arrangements for the approval of supplier nonconforming product/material must be as directed by a Nexgen Tooling's authorized manager or designee.
 - ✳ Nexgen Tooling performs inspection activities to ensure that the purchased product meets purchase requirements. They may include: Receiving inspections (of supplier products/services/documents) may be/are performed by a designated employee. Nexgen Tooling verifies the authenticity of the appropriate certificate of conformity, material certificates, etc. and other accompanying documentation by review and comparison (as is appropriate) to the drawing and/or industry specifications or by other means. When necessary, Nexgen Tooling may inspect or audit at the supplier's facility. Furthermore, products are inspected to ensure they meet requirements (dimensions, etc.) and the results are recorded (as appropriate). All special processes (anodizing, heat treat, etc.) where the compliance cannot be verified by inspections will require a Certificate of Conformity.
 - ✳ When Nexgen Tooling or its customer intends to perform verification at the supplier's premises; Nexgen Tooling will first state the intended verification arrangements and the method of product release. This information will be communicated on the Nexgen Tooling Purchase Order or via another acceptable purchasing arrangement.
